THEFT PROTECTION

EXTRA PROTECTION FROM THE UNEXPECTED

THEFT PROTECTION

Protect yourself from theft and unexpected expenses.

When a theft occurs, your insurance policy may not cover your loss completely. If your insurer follows common industry practices, they may cover only your unit’s actual cash value at the time of the theft. That may leave you responsible for other expenses such as your insurance deductible, various fees, and sales tax for your replacement unit.

Fortunately, the optional XtremeGard Theft Protection program offers you a theft-deterrent and identification system to help minimize your losses, plus a Limited Warranty that gives you up to a \$5,000 benefit.¹

OUR SYSTEM HELPS PROVIDE PEACE OF MIND

- **Distinctive theft-warning decals** used to deter theft
- **Unit marked with traceable identification codes** used to identify the owner of a recovered unit
- **Up to a \$5,000 Limited Warranty Benefit¹** if the theft protection product fails to prevent the theft of the unit and the unit is declared a total loss because 1) the unit is not recovered, or 2) it is recovered but damaged beyond reasonable repair
- **Coverage options up to five (5) years**
- **Transferable coverage** may add to the resale value of your unit²

PROTECT YOUR INVESTMENT

The following illustrates how the Theft Protection Limited Warranty Benefit can help cover outstanding out-of-pocket costs if your unit is stolen and declared a total loss.

The theft protection product is permanently installed on the covered unit and is therefore noncancelable.²

2. Please consult your Warranty for complete transfer and cancellation rules, including state-specific transfer and cancellation rules.
3. Additional exclusions may apply. Please consult your Warranty for specific coverage details, including limitations and exclusions.
