TRAILERGARD TRACEABLE THEFT PROTECTION PLAN

WELCOME TO TRAILERGARD TRACEABLE THEFT PROTECTION PLAN

HOW & WHY DOES IT WORK?

Over a million vehicles are stolen every year in the United States. That is one every 20 seconds! Most are never recovered, or are recovered with extensive and costly damages. Since most people carry a significant deductible on their insurance policy, auto theft can result in substantial out of pocket costs to vehicle owners.

So how do you protect yourself? The Trailergard Traceable Theft Protection Program is a highly effective way to keep your vehicle safe from professional thieves. The Trailergard Traceable Theft Protection Program provides a unique identification code that is permanently affixed to your vehicle. Because thieves know that vehicles equipped with such protection systems are easily traceable by police, they frequently will seek out an easier target.

Insurance companies know that the Trailergard Traceable Theft Protection Program is an effective theft deterrent, therefore this program meets many insurance carriers' requirements for anti-theft system premium discounts.
