THEFT PROTECTION

EXTRA PROTECTION FROM THE UNEXPECTED

THEFT PROTECTION

Protect yourself from theft and unexpected expenses.

When a theft occurs, your insurance policy may not cover your loss completely. If your insurer follows common industry practices, they may cover only your RV/trailer’s actual cash value at the time of the theft. That may leave you responsible for other expenses, such as your insurance deductible, various fees, and sales tax for your replacement RV/trailer.

Fortunately, the optional Trailergard RV & Trailer Theft Protection program offers you a theft-deterrent and identification system helping to minimize your losses, plus a Limited Warranty that gives you up to a \$5,000 benefit.¹

OUR SYSTEM HELPS PROVIDE PEACE OF MIND

- **Distinctive theft-warning decals** used to deter theft
- **RV/trailer marked with traceable identification codes** used to identify the owner of a recovered RV/trailer
- **Up to a \$5,000 Limited Warranty Benefit¹** if the theft protection product fails to prevent the theft of the RV/trailer, and the RV/trailer is declared a total loss because 1) the RV/trailer is not recovered, or 2) it is recovered but damaged beyond reasonable repair
- **Coverage for up to seven (7) years**
- **Transferable coverage** may add to the resale value of your RV/trailer²
