Service Contract

Provides protection against rising repair costs for your classic car

Servicegard offers the ultimate coverage against the rising cost of mechanical repairs. It is available from selected dealers and approved lending institutions for a wide range of makes and models.

If you have a failure of a covered mechanical component or a question concerning your service contract, you will have peace of mind in knowing that you will be taken care of promptly and in a courteous matter by calling our experienced service staff.

Repairs can be performed at your selling dealer or at any authorized repair facility in the United States or Canada. You are responsible for the deductible on each covered repair visit.

Covered Components

Engine:

All internally lubricated parts, water pump, harmonic balancer, engine mounts, intake manifolds, exhaust manifolds without internal catalytic converter (broken or deteriorated manifold studs are not covered). Cylinder block, cylinder block barrels, cylinder heads, valve covers and timing cover, only if damaged as a result of a covered failure of an above listed component.

Automatic or Standard Transmission:

All internally lubricated parts, torque converter, transmission mounts. Transmission/transfer case, only if damaged as a result of a covered failure of an above listed component.

Drive Axle Assembly:

All internally lubricated parts, drive axles, wheel bearings, rear axle seals, inner axle differential seal, pinion seal, c.v. joints, locking hubs. Drive axle housing, only if damaged as a result of a covered failure of an above listed component.

Brakes:

Master cylinder, power brake unit, wheel cylinders, hydraulic lines and fittings, disc brake calipers, combination valve, factory installed ABS system (including electronic control processor), wheel speed sensors, pressure modulator valve, dump valve, and accumulator.

Front Suspension:

Upper and lower control arms, control arm shafts and bearings or bushings, upper and lower ball joints, king pins and bushings, spindle and spindle support, wheel bearings, strut bearing and plate assembly, radius arm and bushings, torsion bars and mounts or bushings, stabilizer bar links and bushings, steering knuckle and hub assembly.

Prompt, courteous, toll-free telephone assistance

Steering:

All internal lubricated parts contained within steering box and rack and pinion component, power steering pump, power cylinder assembly, steering knuckle, idler arm and relay rod, control valve, power steering hoses, pitman arm, tie rod ends, upper and lower steering column shafts and couplings, and internal tilt-wheel mechanism.

Electrical:

Alternator, voltage regulator, starter motor, windshield and rear mounted wiper motors, manually operated switches, electronic ignition module, starter relay, electronic ignition control box, engine compartment wiring harness, computerized timing control unit, crank angle sensor, knock sensor, ignition switch, ignition lock cylinder, washer pump and switch, stop lamp switch, headlight switch, turn signal switch, heater/AC blower speed switch, blower motor, horns, cruise control module, power control module, power window motor, power mirror motor, power antenna motor/mast assembly, convertible top motor, power sunroof motor, power window switch, cruise control engagement switch, power seat switch, power mirror motor switch, rear defogger switch, power door lock actuator and switch.

Fuel Delivery:

Electric and mechanical fuel pump, fuel injection pump and injectors, vacuum pump, fuel tank, fuel tank sending unit, metal fuel delivery lines, and fuel pump relay.

Additional Benefits

You can travel with the peace of mind knowing Roadside Assistance, towing, reimbursement for lodging and meals, as well as, alternative transportation are all part of your coverage.

Roadside Assistance: Provides 24 hour emergency road service throughout the US and Canada. Includes battery assistance, lockout service and delivery of gasoline, water, oil or any supplies necessary to send you on your way.

Towing: Provides towing up to 25 miles to a destination of your choice, if your vehicle is disabled.

Trip Interruption: Provides reimbursement for receipted hotel and restaurant expenses, in the event failure occurs more than 100 miles from your home and results in an authorized repair facility keeping your vehicle overnight.

Vehicle Rental Reimbursement: Provides reimbursement for substitute transportation expenses due to a covered failure.
