*Performance  
You Can  
Count On*

## *Performance You Can Count On*

The ServiceGard Pre-Paid Maintenance Plan offers you a more satisfying vehicle ownership. If your vehicle is well maintained, it is not only more dependable, its value is also greater when you decide to sell or trade.

The ServiceGard Pre-Paid Maintenance Plan makes it easier to maintain your vehicle and you can elect to spread the cost over the life of your purchase or lease contract.

### *Tire & Brake Service*

To assist in the smooth and safe operation of your vehicle, your front and rear brake linings will be inspected and your tires will be rotated at regular intervals.

### *Engine Service*

Want to make sure your vehicle's engine lasts? Frequent oil and filter changes are the key to maintaining the long life of your vehicle. This service is performed at the interval you select.

### *Chassis Lubrication*

The lubrication of key chassis parts is another important component in assuring the safe operation of your vehicle. This service is performed at the interval you choose.

### *21-Point Inspection*

The following 21-point inspections are performed at the ServiceGard Pre-Paid Maintenance Plan interval you select"

1. Tire Inflation
2. Exhaust System
3. Drive Belts
4. Exterior Lights
5. Headlamps
6. Wiper Blades
7. Emergency Brakes
8. Engine Coolant
9. Battery
10. EGR Valve and Hoses
11. Fuel Hose
12. Window Washer Fluid
13. Horn
14. Brake Hoses
15. Brake Fluid
16. Air Filter and Breather Element
17. Heating and Air Conditioning Systems
