This brochure is only an outline of the ServicegardSM RV Protection Contract Coverage. For exact coverages, exclusions, and limitations, refer to the ServicegardSM RV Protection Service Contract booklet.

Non-Motorized RV Coverage

Travel On-Road With Peace of Mind.

Servicegard® RV Protection is the ultimate coverage against the rising cost of mechanical repairs. Available from selected dealers for virtually all makes and models of motorhomes.

That means if you have a failure of a covered mechanical component or a simple question concerning your Service Agreement, you will have the peace of mind knowing that you will be taken care of promptly and in a courteous matter by our experienced service staff...All for a reasonable cost!

All of our plans have several deductible options from which to choose. You only pay the deductible for your plan on each covered repair visit. Repairs can be performed at your selling dealer or at any authorized repair facility in the United States or Canada.

Coverage Includes These Parts, and Many, Many More!

Advanced Protection

WATER HEATER COMPONENTS

Burner assembly tank; thermostat; thermocouple; gas valve; heating elements; electronic ignition assembly; wiring harness; fitting and connections; control panel; switches; P.C. board.
