Heating System

Furnace ignitor, burner assembly, thermocouple, gas valve, thermostat blower motor, P.C. Board and switches.

Refrigerator/Freezer

Thermostat, thermocouple, cooling unit, burner assembly, ignitor, P.C. Board and switches and heating element.

Electrical

Power converter/inverter and ceiling vent fan motors.

Waste System

Plumbing for the shower, toilet, sink(s), and holding tanks; gate valves; and connections.

Comprehensive Coverage

Covered Components

Comprehensive Coverage

Covers all components except components/items listed in the what is not covered section of the contract book.

Optional Coverages

Included in Comprehensive Coverage.

Slide Out Room(s)

Motor, worm gear, tracks, limiting switches, and wiring repair.

Electric/Hydraulic Systems, Including Leveling Jacks

Manufacturer installed motor/pump assembly, metal lines, fittings, hydraulic cylinders, electric motors, worm gear and electric switch.

Anti-lock Brakes

ABS sensor, ABS mounting blocks, ABS sensor retaining clip and ABS tone ring.

Air Brakes

Service air chamber, air chamber mounting brackets, automatic shock adjusters, cam-shaft bushings and "S" cam.

Additional Benefits Included

Towing

When a covered breakdown disables your trailer, we will pay for towing or emergency road service not to exceed \$150 per disability, provided such labor is performed at the scene of the occurrence.

Trip Interruption

In the event a breakdown occurs more than 100 miles from your home and results in an authorized repair facility keeping your trailer overnight, we will reimburse you for receipted motel and restaurant expenses up to \$75 per day for a maximum of three days (Total benefit per occurrence of \$225).
