This brochure should not be relied upon when purchasing coverage. Please refer to the ESC contract book for specific coverage details. Changes may have been made to the ESC program since the printing of this brochure. All transactions related to the ESC program are governed solely by the provisions of the contract book.

**Jet Ski/Jet Boat Coverage**

# Covered Components

# Benefits

## **ENGINE**

The following parts: Pistons, pins, crankshaft and main bearings, connecting rods and rod bearings, reeds and reed blocks. Cylinder heads, crankcase, flywheel, cylinder block (only if damaged beyond repair as a result of a failure of one of the above covered parts).

## **LOWER UNIT**

Gearcase head, bearing oil retainer, gearcase assembly, driveshaft and upper bearing, shift rod and cover assembly, lower pinion bearing, forward and/or pinion gear, reverse gear and shift fork. Gearcase and/or propeller shaft if damaged as a result of the failure of a lubricated covered component.

## **LUBRICATING SYSTEM**

Oil pump, oil injection drive gear and/or shaft, oil level sensor, oil level warning horn, oil lines, check valve and complete oil injection metering system.

## **STEERING**

Steering control helm assembly, steering gate, rudder, nozzle (excluding cables), steering bracket and bushing, swivel bracket bearing, control rack and yoke assembly, power steering pump, power cylinder assembly, steering wheel and coupling and steering cable.

## **CONTROLS**

Neutral start switch assembly, starter/choke primer switch, start/stop switch, throttle control handle, throttle cam lever, throttle and shift cable, shift interrupter switch, tilt/trim switch and ignition switch (excluding key and tumbler).

## **JET DRIVE/PUMP SYSTEM**

All internally lubricated parts in the pump housing, housing, bearings, impeller and bushings.

## **POWER TRIM & TILT**

Trim sender, oil pump, pump relief valve, spring, O-ring, trim cylinder, tilt cylinder, manual release valve, hydraulic pump, reverse lock valve, power tilt motor, power trim motor, mounts and pivots.

## **FUEL SYSTEM**

Fuel delivery pump, fuel injection pump, fuel injector(s), petcock, flame arrester/air silencer, fuel lines and EFI (DFI) control module.

## **ELECTRICAL**

Alternator, starter assembly, starter solenoid, voltage regulator, rectifier, ignition coil, switch box/power pack, electronic ignition module, trigger and sensor, windshield wiper motor, CDI box, all electrically operated gauges and manually operated switches.

## **U-JOINT HOUSING/DRIVE LINE SYSTEM**

Drive mount and steering components, transom plate, U-joint housing, U-joint housing bearing, U-joints, drive shaft(s), bushings, bearings, flywheel, pivot pin, shift lever.

## **SEALS & GASKETS**

Coverage will be extended to include seals and gaskets needed in conjunction with the replacement of a failed covered component.

## **PICK-UP & DELIVERY**

Pick-up and delivery charges up to \$100.00 will be reimbursed when a failure by a covered component disables your vehicle.

## **DEDUCTIBLE**

The purchaser must pay the deductible, as specified on the application, plus any applicable state sales tax, for each covered repair visit.

- ***A toll-free, 24-hour answering service; including holidays and weekends.***
- ***Covers parts and labor anywhere in the contiguous United States and Canada.***
- ***Covers both New and Used vehicles.***
