This brochure is intended as an overview of the Xtremegard Preferred Maintenance Protection program. For actual benefits,

Preferred Maintenance Protection

BUY TODAY AND RIDE WITH CONFIDENCE.

You didn't settle for less when you purchased your motorcycle/powersports unit, so don't settle for anything less than **XtremeGard® Preferred Maintenance Protection**.

With this preferred program, your Motorcycle, ATV, Jet Ski, or Utility Vehicle will receive the regular scheduled services for the term and coverage selected. The plan includes labor and covered parts required to perform manufacturer specified mileage/hour services, such as spark plugs, oil filter, and front fork oil.** As a preferred cardholder, you will receive priority service status at the time of appointment.

XtremeGard® Preferred Maintenance Protection is proud to offer three different prepaid maintenance packages to fit your wants, needs, and budget. Pre-paying for the manufacturer specified maintenance allows you to lock in these vital services at today's prices. When it's time for a service, simply contact the selling dealer for a "Preferred" appointment, bring your vehicle in at the scheduled time and relax. Let **XtremeGard® PMP** and the Service Department handle all the details that will keep your vehicle operating the way it was the first day you picked it up.

CHOOSE FROM THREE LEVELS OF COVERAGE:

XtremeGard® PMP PLATINUM (unlimited use)

- Includes all factory specified mileage/hour maintenance services for the term of the contract.

XtremeGard® PMP GOLD

- Provides for a maximum of six (6) or eight (8) complete services* at factory specified mile/hour intervals.

XtremeGard® PMP SILVER

- Provides four (4) or six (6)* engine oil/filter changes, general chassis lubrication and 7 point safety inspection at factory specified mile/hour intervals.

COVERAGE

This maintenance agreement is valid at the Selling Dealer and includes the specified maintenance recommended in your owners manual for the term and coverage selected. It includes changing engine oil and filter (if required) at each service plus replacing the parts listed (primary lubricant, transmission lubricant, spark plugs and front fork oil**) at the specified mileage intervals. Parts and labor costs for repairs, servicing/cleaning or replacement of any additional items not listed as part of the scheduled maintenance are not covered by this agreement. Coverage may be restricted if the vehicle is used for closed-course competition or racing or in the event of notable mechanical abuse. This agreement is not a service contract or insurance policy.

CANCELABLE

You may cancel this agreement by notifying us in writing and paying the cancellation fee. The Selling Dealer will refund the unused portion to you or the lien holder based on the remaining time or services used, whichever is less.

* Number of services based on term and coverage purchased.

** Platinum and Gold Coverages.
