

XtremeGard® Universal Theft Deterrent Is A Pre-Loaded Remote Controlled Theft Deterrent System. This system provides state-of-the-art technology for all motorcycle inventory to ensure maximum security while providing generous profits when it is ultimately sold to the consumer.

Simple "Plug In" Installation. *XtremeGard® Universal Theft Deterrent* offers easy, lightning-fast, and professional installation every time. *XtremeGard® Universal Theft Deterrent* disables the motorcycle starter, fuel, or ignition system without cutting or splicing into any wire on most motorcycles. Normal installation involves removing a relay and replacing it with the *XtremeGard® Universal Theft Deterrent* module. There are no time-consuming installations. Installation can be done by almost any dealership employee. Installers become more productive, and dealerships can now perform their own installations. Virtually anyone can install the *XtremeGard® Universal Theft Deterrent*.

Fits All Motorcycles. *XtremeGard® Universal Theft Deterrent*'s unique design incorporates an M-ISO relay footprint connector to provide a direct "Plug In" installation on most motorcycles. Three optional footprint adapters are available to provide the same fast, professional installation results for other motorcycles.

***XtremeGard® Universal Theft Deterrent* Chirps.** *XtremeGard® Universal Theft Deterrent* emits soft chirps to indicate arm, disarm, valet or program mode.

XtremeGard® Universal Theft Deterrent. The advanced design includes extensive use of surface mount components and a heavy-duty 45A ISO produced OEM style PCB power relay. The *XtremeGard® Universal Theft Deterrent* transmitters feature surface acoustic wave (SAW) technology that prevents the accidental loss of the transmission frequency and are powered by long life 38 mAH capacity batteries. The use of OEM quality components prevent dealer concern over product dependability for years after the sale, when buyers are considering another purchase.

Introducing ***XtremeGard® Universal Theft Deterrent.***

**A State-of-The-Art, Remote
Controlled Anti-Theft System.**

- **Perfect For Pre-Load
"Plug-In" Installation**

- **No-Sale "Sleep" Mode**
- **Simple Operation**
- **Valet Mode**
- **Emergency Override**

Retail Delivery Friendly

Attractive Customer Kit. Two consumer rolling code transmitters, a durable wallet size owner's manual, 2 warning decals, and the limited warranty are packaged in an attractive metal gift case.

Simple Programming Process. A quick and simple programming process using the unique dealership programming transmitter converts the *XtremeGard® Universal Theft Deterrent* system from the sales staff transmitters to the consumer code-hopping transmitters.

No Drive-Away Cost On A No-Sale. In the event of a no-sale *XtremeGard® Universal Theft Deterrent* can be removed quickly and easily, or it can simply be programmed OFF with the dealership programming transmitter. Dealer's Choice.

Consumer Friendly

Simple Operation. *XtremeGard® Universal Theft Deterrent* automatically arm-up 30 seconds after the ignition is turned off. When the *XtremeGard® Universal Theft Deterrent* system is armed, the motorcycle cannot be operated. To disarm the system, simply depress the disarm button on the remote transmitter. The disarm procedure can be done prior to inserting the key in the ignition or afterward, at the option of the customer. *XtremeGard® Universal Theft Deterrent* automatically re-arms, if the ignition is not activated within 30 seconds after disarming.

Valet Mode. A simple but secure procedure using the consumer remote transmitter can be used to activate and deactivate the valet mode.

Emergency Override. *XtremeGard® Universal Theft Deterrent* customers will never be stranded due to a lost or non-functioning transmitter. An emergency override procedure allows the motorcycle to be started without the transmitter.

2-YEAR LIMITED WARRANTY

Your new XtremeGard® Universal Theft Deterrent system is warranted to be free of defects in materials and workmanship for 2 years from the date of sale to the original purchaser. During the warranty period, XtremeGard® Universal Theft Deterrent will repair or replace, at its option, any returned XtremeGard® Universal Theft Deterrent product or component that is found to be defective in materials or workmanship. This warranty does not apply if it is determined that the XtremeGard® Universal Theft Deterrent has been subjected to unreasonable or unintended use, if it was not reasonably maintained, or if it was serviced by anyone other than an authorized agent or distributor. This warranty does not cover appearance and it does not cover any damage resulting from improper installation, alteration, accident, misuse or any acts of nature. XTREMEGARD® UNIVERSAL THEFT DETERRENT, OR ITS AUTHORIZED AGENTS SHALL NOT BE LIABLE TO ANYONE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES OR CLAIMS EXCEPT THOSE ACCORDED BY LAW. NO EXPRESSED WARRANTY OR IMPLIED WARRANTY IS PROVIDED EXCEPT THOSE SET FORTH HEREIN. NO IMPLIED WARRANTY SHALL EXTEND BEYOND 2 YEARS FROM THE DATE OF ORIGINAL PURCHASE. Some states do not allow limitations on how long an implied warranty lasts, and some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state. All questions regarding a defective product should be directed to your selling dealer. Defective merchandise should be returned to the original point of purchase, or if that is not reasonable, to the address provided by calling, toll-free 800 248-4258.
